

MADE ENTIRELY IN THE TROPICS.

WE DO TROPICAL FRUITS. WE DO IT IN THE TROPICS. WE DO IT SUSTAINABLE.

We produce our fruit snacks in Ghana. The tropical fruits are grown and harvested on small farms and are responsibly and locally processed in our state-of-the-art factory to keep the value chain in Ghana. Ecologically processed, using biogas from fruit waste and solar panels powered by the African sun.

JUST FRUIT. NOTHING ELSE.
Made entirely in the tropics

100% DRIED FRUIT 100% TROPICAL FRUIT

Our fruit snacks are made of 100% dried fruit – the best snack after fresh fruit and a real power snack. Efficient energy supply with transparent and clean ingredients; without added sugar, concentrate, cereals or nuts. 10g contain the energy value of 100g fresh fruit.

ADDICTIVE AND CONVENIENT

Everybody loves tropical fruits. We offer the best of the tropics from sun-ripened fruits from Ghana with the sweet tropical taste you love. Our fruit snacks come in various shapes as small to-go-snacks that fit into any pocket.

COCONUT – A SYMBOL OF HEALTH COMES IN TASTY FLAVOURS

In Ghana, the naturally ripened brown coconuts are fully ripe when they fall from the trees on the ground, and are selected carefully for processing into tasty snacks with a variety of subtle natural flavours.

We are dried fruits – produced and packed in the tropics
